Call on San Francisco to adopt **Vision Zero** – demand an end to ALL traffic fatalities in 10 years!

Nearly **1,000** crashes, and more than **100** serious injuries and deaths* plague our city streets every year; the time is now to eliminate these *preventable* tragedies for generations to come.

Join Walk SF, and a coalition of community groups, to urge the city to take the **engineering**, **enforcement**, and **education** steps needed to put an end to the traffic-related deaths of pedestrians, bicyclists, and motorists in ten years.

Steps to Adopt Vision Zero:

CITY AGENCY COMMITMENTS

- ☐ Mayor's Office
- ☐ Board of Supervisors
- ☐ SF Department of Public Works
- ☑ SF Police Department
- ☑ SF Municipal Transportation Agency
- ☐ SF Department of Public Health

FUNDING COMMITMENTS

- ☐ City Budget
- ☐ SFMTA Budget

ENGINEERING EFFORTS

- ☐ Complete one safety improvement per month
- ☐ Fast track the Pedestrian Strategy & WalkFirst to fix the most dangerous streets

EVALUATION EFFORTS

- ☐ All agencies to monitor respective commitments
- ☐ SFDPH to monitor cumulative progress towards Vision Zero

ENFORCEMENT EFFORTS

- ☑ Focus Enforcement on the Five Most Dangerous Driving Behaviors
- ☑ Report, Cite, & Investigate All Injury Collisions
- ☑ Train Officers to Prevent Crashes

EDUCATION EFFORTS

- ☐ Mandatory Safety Training for City Fleet/ Contract Drivers
- ☐ Voluntary Safety Training for Non-City Fleet Vehicle Operators

No Loss of Life is Acceptable…Reclaim our streets as safe, shared, public space for everyone! **Learn more at walksf.org**.

*Reflects total crashes, injuries, and deaths involving pedestrians.
