

JOB ANNOUNCEMENT

Families for Safe Streets Manager

Part-Time, Non-Exempt/Hourly

At Walk San Francisco, we believe when you walk out the door to go to work, to school, to the park – anywhere – you shouldn't be risking your life by simply crossing the street. But sadly, every day an average of three people are hit while walking in San Francisco.

Walk SF exists to change this. And one of the ways we do our work is by hosting and supporting **San Francisco Bay Area Families for Safe Streets (FSS)**. This is a community of people who have been directly affected by a traffic crash, either as a crash survivor themselves, or they have a loved one who was hurt or killed in a crash. [Learn more at walksf.org/fss](http://walksf.org/fss).

Our FSS group is part of a bigger movement that is proving to be a crucial and powerful force for change. [Read the New Yorker story](#) about how the first Families for Safe Streets group started in New York City, and what's happening around the country.

We are seeking a compassionate (and passionate!) part-time manager to lead and support our Families for Safe Streets group. The ideal candidate will possess a unique blend of empathy, resilience, and communication skills. This is a wonderful community of people to work with. This role will require sensitivity to working with people living with profound grief and special skills for navigating tough conversations and grief in trauma-sensitive ways.

This is a 20-hour per week, non-exempt hourly position, with an hourly rate of \$36.00 - \$38.00 based on experience.

Benefits include two weeks of paid time off in year one, plus a bonus week (our office is closed between Christmas and New Year's); sick time; plus a wellness flex fund; and professional development funding.
